

Alcohol Policy for Persons or Groups Using St. Paul's Facilities

1. All applicable federal, state and local laws should be obeyed, including those governing the serving of alcoholic beverages to minors.
2. Beer and/or wine may be served in accordance with these policies. No liquor or spirits are allowed.
3. When alcohol is served, it must be monitored and those showing signs of intoxication must not be served. An adult must oversee its serving. That adult must not drink alcoholic beverages during the time of his or her execution of this responsibility.
4. Serving alcoholic beverages at events where minors are present is strongly discouraged. If minors are present, alcohol must be served at a separate station that is monitored at all times to prevent underage drinking.
5. Alcoholic and non-alcoholic beverages must be clearly labeled as such. Non-alcoholic beverages must be served as prominently and attractively as alcoholic ones.
6. The serving of alcoholic beverages should not be publicized as an attraction of the event, e.g. "wine and cheese reception," "cocktail party," and "beer and wine tasting."
7. Food must be served when alcohol is present.
8. The groups or organizations sponsoring the activity or event at which alcoholic beverages are served must have permission from the rector when reserving the facilities. Such groups or organizations must also assume responsibility for those persons who might become intoxicated and must provide alternative transportation for anyone whose capacity to drive may be impaired.
