New and Notable...

Words from the Wardens

St Paul's has certainly been active in the past several weeks as we move from summer into fall! First of all, a "shout out" to Jeff and all of the donors and volunteers who made our first Back to School Backpack project a huge success. St. Paul's has made a difference in the lives of 37 of McHenry's school children. This is a ministry for which we can be very proud, and one that we will continue to grow.

Last weekend was our Parish Picnic and celebration of Deb's ordination. Thank you to Marilyn Bell for organizing the picnic, and thank you to everyone who brought food. We had a wonderful turnout, and judging by all of the empty plates and serving dishes, we all left with full stomachs and full hearts after our afternoon of fellowship.

This weekend is our 2nd Annual Flea Market & Bake Sale. Once again, we reached out to the congregation for donations for raffle baskets and volunteers to help bake goodies, set up and work shifts the day of the event. And, once again, you all jumped in to make this event a success! Thank you!

As I summarize the activities of St. Paul's this summer, I cannot help but to step back and say, "WOW"! In addition to all of the energy around our activities, we have enjoyed wonderful worship experiences on Sunday mornings whether it be a traditional Sunday Eucharist or Morning Prayer.

We have been using the informal theme of "St. Paul's is Alive and Well" for the last several months. Looking back on what we have done makes me realize that not only are we Alive & Well, we are a church that is not just surviving, we are truly a church that is ready to THRIVE! Stay tuned for more news from your Vestry, and thank you in advance for answering the call to THRIVE!
